INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

March 16 through March 31, 2003

0007

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **March 16 through March 31, 2003**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

Project descriptions on both listings are organized by county: Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura. State plans and other multi-county plans, projects and proposals are grouped under the "Multi-County" heading at the beginning of the IGR Clearinghouse Report.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **April 15, 2003**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address: **Southern California Association of Governments**
Intergovernmental Review Section
818 West Seventh Street, 12th Floor
Los Angeles, CA 90017-3435

Telephone: (213) 236-1800
Fax: (213) 236-1962

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

ANNOUNCEMENT

The IGR Section now has a web page. The IGR web page includes staff prepared publications describing items and projects received by the IGR Section, and other web sites that may be useful to persons seeking information about how to comply with CEQA and the CEQA Guidelines. For more information, please visit SCAG's IGR web page at www.scag.ca.gov/igr/.

City of El Centro

Mitigated Negative Declaration No. 02-17 -- El Centro Federal Magistrate Court Building

Contact: Oliver M. Alvarado, (760) 337-4545

The project proposes the acquisition of a Conditional use Permit and associated height variance for the construction of a two-story, 52,764 square foot Federal Magistrate Courthouse Building. The site is on approximately 4.4 acres. The building will house the operational office functions of the court and have one courtroom with the potential for a second courtroom in the future. A conditional use permit is required for public offices and places of public assembly due to the courtroom. The project is located at Southwest corner of Adams Avenue and La Brucherie Road, El Centro, California.

Date Comments Due 5/5/2003

City of West Hollywood

Pacific Design Center Red Building and Specific Plan Amendment

Contact: John Keho, (323) 848-6475

The purpose of the proposed project is to develop the third phase of the PDC complex as originally envisioned in the existing specific plan (Specific Plan 85-001 or Pacific Design Center Specific Plan [PDC SP]). This third phase would involve the development of the Red Building, which would consist of approximately 400,000 square feet of office space in lieu of the showroom/mart uses permitted in the current PDC SP. The proposed project would also involve an amendment to the PDC SP to modify the allowable uses on the entire PDC complex from those originally permitted under the PDC SP to include one additional new use with certain restrictions. The project site is located in the City of West Hollywood on approximately 14.2 acres within a block bounded by Melrose Avenue on the south, San Vicente Boulevard on the west, Huntley Drive on the east, and Santa Monica Boulevard on the north.

Tentative Tract Map No. 54099, Precise Plan No. 02-15, Variance No. 02-07 (West Covina Royale)

Contact: Steve Lake, (626) 939-8422

The project consists of the development of the vacant 2.53-acre site with a 38-unit town house project. The 38 townhouses are proposed to be incorporated into eight detached buildings. An underground parking structure is proposed. The following entitlements are required to facilitate the project:

- Tentative Tract Map No. 54099 proposes to subdivide the 2.53-acre site into 38 residential "air space" lots for condominium purposes.
- Preside Plan No. 02-15 for the site design and architecture of the site.
- Variance No. 02-07 to vary from required development standards including front setback, building height, distance between buildings, parking space size and lot coverage.

The property is located north of Holt Avenue and east of Grand Avenue, in the City of West Covina, Los Angeles County.

Los Angeles Trade-Technical Community College

Los Angeles Trade-Technical College Campus Plan 2002

Contact: Mary Ann Breckell, (213) 744-9058

Los Angeles Trade-Technical College Campus Plan 2002 is a 5-year master plan that identifies specific construction, demolition, renovation and other facility improvements to be achieved using the funds allocated by Proposition A. The Project would accommodate an anticipated increase in enrollment from a current level of approximately 15,000 students to a future level of approximately 21,300 students. The Project would result in a net gain of 70,000 square feet of building space and 1,100 parking spaces. The Project is located on the existing campus of the Los Angeles Trade-Technical College and on the adjoining property at 2115 S. Grand Avenue.

Los Angeles Community College District (770)

Los Angeles Harbor College Facilities Master Plan

Contact: Ann Tomlinson, (310) 522-8443

Harbor College is located in the Wilmington area of Los Angeles, just north of the Los Angeles Harbor. The Los Angeles Community College District is seeking to advance the economic growth and development as well as global competitiveness of Harbor College through the adoption of the Los Angeles Harbor College Five-Year Master Plan. The Master Plan would maintain the College's commitment to student learning in a supportive and dignified educational environment that recognizes the uniqueness of individuals and provides a center for the cultural enrichment of the community. The Master Plan proposes a framework to meet these goals through the construction of new facilities, renovation of additions to existing facilities, removal of some existing facilities, and the development of new surface parking and/or parking structures, landscaping, and open space. The Five-Year Master Plan would accommodate an anticipated enrollment in the fall 2008 semester of 10,891 students or 3,843 full time students.

State Route 39 Culvert Rehabilitation Project at Brown's Gulch

Contact: Ronald J. Kosinski, (213) 987-0703

The proposed project would be located off of State Route 39, San Gabriel Canyon Road, in the Angeles National Forest just north of the City of Azusa in Los Angeles County. The proposed project would reconstruct the culvert invert at the bottom of Brown's Gulch a canyon adjacent to State Route 39. The project has been proposed to ensure the stability of the structure, which is presently compromised by scour caused by erosion and age. In order to complete this work, a temporary access ramp is necessary to transport equipment and workers to the culvert entrance.

City of South Pasadena

Amendment to Certificate of Appropriateness No. 98 (Demolition and Alteration) and Design Review Permit No. 359

Contact: Lisa Louie Flores, (626) 403-7228

On October 17, 2002, the Cultural Heritage Commission approved Certificate of Appropriateness No. 98 (Demolition and Alteration) to demolish a portion of the house for the construction of a new 615 square foot, first-story addition and a 1,244 square foot, second-story addition to the existing 1,428 square foot, one-story residence.

However, because the demolition exceeded the approved scope of work, the Certificate of Appropriateness (Demolition and Alteration) is being amended to require the applicant to rebuild the front covered porch, a portion of the eastern side wall and chimney that connects to the front wall of the house, and four interior walls that were illegally demolished. The construction of the non-permitted demolition will occur prior to the construction of the new addition and relocation of the garage and will be an exact replica of the original house. The proposed project is located at 654 Grant Avenue, City of South Pasadena, County of Los Angeles California, 91030.

Date Comments Due 5/8/2003

City of Riverside

Hunter Park/Northside Redevelopment Project

Contact: Wendy Holland, (909) 826-5649

The Project will adopt and implement a Redevelopment Plan in the City of Riverside. The Hunter Park/Northside Project Area consists of up to 2,636.5 acres and is the focus of this environmental assessment. The Redevelopment Agency of the City of Riverside has proposed the Project for the purpose of alleviating blight and promoting reinvestment in the Project Area. Although no development of construction is proposed at this time, implementation of the Redevelopment Plan is expected to facilitate infrastructure improvement and rehabilitation activities consistent with the adopted City of Riverside General Plan.

The Project is located in the City of Riverside, County of Riverside, State of California. The Project Area encompasses up to 2,636.5 acres, covering much of northern Riverside. The Project Area abuts the Santa Ana River in the west, the San Bernardino County line in the north, the Box Springs Mountains in the east, and extending south as far as Blaine Street.

Arlington Redevelopment Project Amendment No. 3

Contact: Wendy Holland, (909) 826-5649

The Project will adopt and implement a Redevelopment Plan Amendment in the City of Riverside. The Amendment Area consists of four (4) non-contiguous sub-areas encompassing an approximate total of 235 acres, and is the focus of this environmental assessment. The Redevelopment Agency of the City of Riverside has proposed the Project for the purpose of alleviating blight and promoting reinvestment in the Amendment Area. Although no development or construction is proposed at this time, implementation of the Redevelopment Plan Amendment is expected to facilitate infrastructure improvement and rehabilitation activities consistent with the adopted City of Riverside General Plan. The Project is located in the City of Riverside, County of Riverside, State of California.

Desert Cove Golf Course -- City of Cathedral City

Contact: Kim Chafin, (760) 324-8388

The Desert Cove Golf Course provides for a recreational facility in the southern portion of Cathedral City. The project will involve the construction of an 18-hole golf course and driving range, clubhouse, and maintenance building located adjacent to and within portions of the Cathedral Canyon North Channel, Cathedral Canyon East Channel and the Whitewater River Wash. The clubhouse will consist of a subgrade cart barn and an at-grade level totaling approximately 14,000 square feet. The maintenance building will be approximately 6,000 square feet and provide 23 employee parking spaces, the course and facilities will be developed on lands totaling 158 acres.

City of Fontana General Plan Update

Contact: Cindy Ousley, (909) 370-5079

The proposed project is the incremental increase in development resulting from the proposed General Plan Update, currently in progress and planned for adoption in fall 2003. The incremental increase in development represents the future growth permitted under the proposed General Plan. The General Plan Update will include the new development and/or update of all elements in the General Plan. The General Plan Update includes changes in land use designations and updates to the circulation system, as well as to the policies and programs within the various elements. The project is located in the City of Fontana.

Zone Change No. 2002-05, Tentative Parcel Map No. 16157, Site Approval No. 2002-19, and Variance No. 2003-01

Contact: Douglas A. Darnell, (909) 591-9893

The proposed project involves an application for a Tentative Parcel Map to realign Bickmore and Cypress Avenues and establish two parcels to include Parcel 1 (approximately 46.34 acres) and Parcel 2 (approximately 1.20 acres). A zone change application to change approximately 0.8 acres at the southeast portion of Parcel 1 from the AG zone to the M2 zone and a site approval to allow development of a 1,001,000 square foot tilt up speculative industrial warehouse building to be located on Parcel 1. Parcel 1 is proposed with three street frontages (Cypress Avenue to the north, Mountain Avenue to the west and Bickmore Avenue to the south). The project is located east of Mountain Avenue, north of Bickmore Avenue and west of the Cypress flood control channel.

VENTURA COUNTY**I20030172**

Date Received 3/26/2003

Date Comments Due 4/14/2003

City of San Buenaventura

EIR-2376 (City of San Buenaventura)

Contact: Kevin Colin, (805) 654-7890

The proposed project consists of the subdivision of a single approximate 18,738 square foot lot into four lots ranging between 4,548 and 4,730 square feet in area, and the subsequent development of one two-story, single-family residence on each lot. Vehicle access is proposed to occur from Porter Lane with two residences each sharing one driveway. The project site is located within the Preble Community planning area in the City of Ventura. The project site is bound by East Main Street to the east, Emma Avenue to the north, Porter Lane to the west, and a single-family residence to the south.

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

April 1 through April 15, 2003

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **April 1 through April 15, 2003**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

Project descriptions on both listings are organized by county: Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura. State plans and other multi-county plans, projects and proposals are grouped under the "Multi-County" heading at the beginning of the IGR Clearinghouse Report.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **April 30, 2003**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address: **Southern California Association of Governments**
Intergovernmental Review Section
818 West Seventh Street, 12th Floor
Los Angeles, CA 90017-3435

Telephone: (213) 236-1800
Fax: (213) 236-1962

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

ANNOUNCEMENT

The IGR Section now has a web page. The IGR web page includes staff prepared publications describing items and projects received by the IGR Section, and other web sites that may be useful to persons seeking information about how to comply with CEQA and the CEQA Guidelines. For more information, please visit SCAG's IGR web page at www.scag.ca.gov/igr/.

\$ 660,000 (total) / \$ 600,000 (federal)

Contact: Bruce E. Nelson, (661) 942-2198

The proposed project is to install two new water storage tanks and pressure tanks. Each system will work with the current tanks and will increase the water flow. The 85th site has four potential locations and will choose the site soon. At the 70th Street site, the new tank on the corner of 80th Street West and Avenue A, which is situated in Kern County. There will be a replacement and upgrade of 3.75 miles of new pipe to improve the water flow at both sites. 85th Street site will include one half mile of new 8-inch pipe. The 70th Street site will have 2.25 miles of new pipe on the Los Angeles County side and one mile of new pipe on the Kern County side.

I20030193

Date Received 4/4/2003

Date Comments Due 5/3/2003

City of Glendora

Environmental Impact Report (EIR03-01)/General Plan Amendment (GPA03-04)/Zone Change (ZC03-03)/Zone Amendment (ZA03-05) & Miscellaneous (M03-17)

Contact: David Chantarangsu, AICP, (626) 914-8217

The City of Glendora is amending its General Plan (GPA 03-04), creating a specific plan zone (ZC03-03), adopting a specific plan (ZA03-05) and design guidelines (M03-17) to facilitate the adoption of new land use regulations within the project area. The project components are described as follows: The General Plan Amendment will amend the City's Land Use Element to recognize the creation of a specific plan and designate goals and objectives for the Route 66 Specific Plan. The City's Circulation Element will also be amended to recognize a level of service "D" as acceptable levels of service.

The maximum build-out scenario indicates the following uses could be supported during a 15-20 year plan horizon:

R&D/Light Manufacturing/Warehouse & Distribution, 1.1 million square feet
 Office, 400,000 sq. ft.
 Retail, 229,000 sq. ft.
 Hotel, 150 rooms
 Residential: 500 units

The project location is in Los Angeles County in the City of Glendora on Route 66 and portions of Vecino Avenue, Forestdale Avenue, Grand Avenue, Vermont Avenue, Santa Fe Avenue, Ada Avenue, Carroll Avenue, Vista Bonita Avenue, Foothill Boulevard, Pasadena Avenue, Glenwood Avenue, Loraine Avenue, Elwood Avenue, Le Mar Park Drive, Lone Hill Avenue, and Financial Way.

Date Comments Due 5/9/2003

City of Agoura Hills

Kanan Road at U.S. Highway 101 Interchange Improvements

Contact: Jim Thorsen, (818) 597-7314

The project consists of proposed improvements to the U.S.-101/Kanan road interchange on both the north and south sides of U.S.-101, KP 55.4/56.8 (PM 34.4/35.2) and KP 55.8/56.8 (PM 34.67/35.30) in the City of Agoura Hills. The proposed interchange improvements include new loop on-ramps and relocation of existing off-ramp locations. For the north side improvements, the northbound off-ramp will be relocated to accommodate the construction of a loop on-ramp. These modifications would also require that the existing frontage road, Canwood Street (east of Kanan Road), be realigned approximately eight hundred (800) feet north on Kanan Road.

Draft EIS/EIR

I20030201

Date Received 4/14/2003

Date Comments Due 5/27/2003

City of El Segundo

Los Angeles Air Force Base Land Conveyance, Construction and Development Project

Contact: Paul Garry, (310) 534-2342

The proposed project consists of a series actions related to the possible conveyance, development and use of four properties currently belong to the Los Angeles Air Force Base (LAAFB), which are referred to as: Area A, Area B, the Lawndale Annex, and the Sun Valley property. Under the proposed concept, Area A, the Lawndale Annex and the Sun Valley property will be conveyed to a private developer (a partnership of Kearny, Morgan Stanley Real Estate Fund IV, and Catellus) in exchange for constructing new buildings for the Air Force on Area B. The proposed project may also include the use of Federal or State development incentives, including but not limited to Brownfield grants, lease financing and certificates of participation, Mello Roos special tax bonds, Base Retention grants, Redevelopment Area funds, Infrastructure Financing Districts, tax-based incentive agreements, and/or other similar financial incentives.

LAAFB Area: The proposed action on this property consists of the development of an approximately 42-acre site at the southeast corner of El Segundo and Aviation Boulevards in the City of El Segundo that is currently occupies by the LAAFB. Under the proposed concept, Area A would be developed with

residential units, detached from the City of El Segundo and annexed into the City of Hawthorne. Proposed development on Area A would consist of an upscale gated residential condominium development, with a density up to 21.5 units per acre for a maximum of 850 units.

LAAFB Area B: Proposed action on this property consist of the enhancement of the existing 54-acre site at the northeast corner of El Segundo Boulevard and Douglas Street. This location would remain under Federal jurisdiction. Under the proposed Systems Acquisition and Management Support (SAMS) agreements, the developer in Area B to house current base functions that would be transferred from Area A would construct new facilities. As currently envisioned, the proposed additional development on the Area B property would include the demolition of some existing structures and construction of approximately 560,000 square feet of new administrative and special purpose facilities, in buildings up to five stories in height.

Lawndale Annex Property: The 13.34-acre site is located within the City of Hawthorne on the east side of Aviation Boulevard, north of Marine Avenue, and south of Rosecrans Avenue. Proposed development on this property consists of the removal of existing improvements on the site, consisting predominantly of an approximately 30,000-square foot office building, and the development of approximately 300 condominium units, with associated parking, landscaping and access improvements.

Sun Valley Property: The Sun Valley property is comprised of two parcels totaling approximately 3.7 acres, and is located at 10888 W. La tuna Canyon Road in the Sun Valley community of the City of Los Angeles. The site is irregularly shaped, with frontage on West La Tuna Canyon Road and frontage on Glenoaks Boulevard. The former location of the Armed Forces Radio and Television Service, this site is presently development with an approximately 59,600-square foot industrial building, which is currently vacant.

City of Los Angeles Department of City Planning

Bradley Landfill and Recycling Center Transition Master Plan

Contact: Jimmy C. Liao, (213) 580-5546

The Bradley Landfill and Recycling Center (BLRC) is a Class III municipal solid waste disposal and recycling facility. The land uses surrounding the BLRC consist primarily of industrial activities. The facility is located at 9227 Tujunga Avenue, Sun Valley, Los Angeles County. The BLRC is a 209-acre facility that consists of two major sub-areas: Bradley west and West Extension (the project site), and Bradley East.

The proposed plan consists of two phases. The first phase is a transition 43-foot vertical landfill expansion that will provide additional short-term disposal capacity within the boundaries of the existing landfill. The second phase will consist of a 6,000-tons per day transfer station and 1,000 tpd Materials Recovery Facility (MRF) that will be constructed adjacent to the existing landfill. The purpose of this plan is to provide for an orderly transition of BLRC from an active landfill to a transfer station/MRF operation that will process solid waste for transport to other regional landfills and recycled materials processing facilities.

Contact: Peter Hersh, (949) 553-0666

The proposed project consists of a Metrolink station and facility parking. The Metrolink station consists of two platforms located generally opposite of the New River Road and Esperanza Road intersection, along the Burlington Northern Santa Fe (BNSF) railroad right-of-way. This area of the BNSF right-of-way consists of three parallel tracks, with the platforms to be located on the inner and outer tracks. The platforms will accommodate four-car Metrolink trains, will begin approximately 75 feet from the eastern boundary of the 500 kV Southern California Edison overhead powerlines, and will extend approximately 340 feet toward the west to accommodate opening the four cars at all accessible doors. In order to accommodate the platforms, the existing tracks will be realigned, with appropriate spacing to allow for the installation of fencing to prevent pedestrians from entering upon the tracks.

Cypress College Master Plan Program EIR

Contact: Ron Beeler, (714) 490-0091

The 108-acre Cypress Community (9200 Valley View Street) campus is located in the northeast portion of the City of Cypress.

This initial study presents a preliminary assessment of the of the environmental impacts that would result from the implementation of the Master Plan designated project to be developed on the Cypress College Campus over the next five years (2004-2009). The projects are the outgrowth of an ongoing Master Plan process that has coalesced, as of late 2002, into a series of discrete new buildings that will expand campus services, and will include various circulation, landscaping, facade and facilities upgrades.

Comprehensive General Plan Amendment No. 00608, Change of Zone Case No. 06656, Tentative Tract Map No. 30433
Contact: Dianna Zandbergen, (909) 955-1852

Comprehensive General Plan Amendment No. 00608 proposes to amend the Southwest Area Community Plan Land Use Allocation Map from Agricultural, 10 acre minimum lot size and Residential 2 1/2 acre minimum, to Residential 205 dwelling units per acre and .2 dwelling units per acre, on 185.65 acres.

Change of Zone No. 06656 proposes to change zoning classification from Heavy Agriculture, 10 acre minimum lot size (A-2-10) and Rural Residential (R-R) to One Family Dwellings (R-1) and Rural Residential (R-R) on 185.65 acres.

Tentative Tract Map No. 30433 proposes to divide 185.65 acres into 459 single family residential lots with a minimum lot size of 7,200 square feet, 15 open space lots, 5 detention basins and 1 park site with a Schedule A improvement schedule.

The proposed project is located south of Pat Road, north of Baxter Road, east realigned of Briggs Road and west of Winchester, in the French Valley Zoning Area of unincorporated Riverside County, California.

The Marketplace at Main Street EIR

Contact: Joanne Coletta, (909) 736-2267

The project is a mixed-use project with 49 detached single family residential units on 16.09 acres and 34,300 square feet of commercial uses on 5.17 acres. The commercial uses are divided into 2 centers, at the northeast and northwest corners of Main and Ontario, and include 2 fast foot restaurants, 2 sit-down restaurants, and 3 retail buildings. The project will require a General Plan Amendment, a Tract Map, Development Plan, and a Development Agreement. The project is located northeast and northwest corners of Main Street and Ontario Avenue, in the southern portion of the City of Corona, California.

General Plan Amendment #02-001, Zone Change 02-001, Development Code Amendment 02-001, and Specific Plan Amendment 02-001

Contact: Orlando Hernandez, (909) 350-6602

The City of Fontana is proposing a General Plan Amendment (GPA 02-0001) for the site, to redesignate the area for "Planned Industrial" use. As part of this amendment, a Zone Change (ZC 02-001) would also be necessary to provide a consistent zoning designation and to pre-zone a 20-acre unincorporated County area, which is located contiguous with City property. In addition, a Development Code Amendment (DCA 02-001) is needed to revise the development standards and permitted uses for the Planned Industrial (M-1) zone, and a Specific Plan Amendment (SPA 02-001) is needed to remove a portion of the project site from the boundaries of the Empire Center Specific Plan. This redesignation would allow as much as 5.24 million square feet of future industrial, business park, and hotel developments on the site. The proposed is located approximately 218.7-acre area bounded by Sierra Avenue to the west, Slover Avenue to the north, Tamarind Avenue to the east, and Santa Ana Avenue to the south, in the southern section of the City of Fontana, County of San Bernardino.

Widening Project for 22.3 Miles of Fort Irwin Road

Contact: Naresh P. Varma, (909) 387-8104

The Fort Irwin Road Widening Project generally consists of cold planning the existing asphalt concrete surface, sealing random cracks, and placing an asphalt concrete overlay on the northbound and southbound lanes. The project also consists of widening the entire length of the 22.3-mile roadway to provide 13-foot wide paved lanes and 10-foot wide paved shoulders, constructing a 32-foot wide clear

zone on each side of the roadway, constructing one-mile long passing/climbing lanes at five separate locations, and installing tortoise fencing along the route on both sides at the edge of the clear zone or at the limits of grading. The proposed project is located north of the City of Barstow, between Interstate 15 and the southerly boundary of the National Training Center at Fort Irwin for a length of 22.3 miles.

Thompson Mixed-Use Project (CDP 2002-29)

Contact: Tom Bartlett, (805) 933-4214

The proposed mixed-use project involves construction of four two-story buildings totaling 24,486 square feet on a 1.02-acre parcel within a redevelopment area of the City. The project would provide approximately 4,900 square feet of retail/commercial development and 28 residential apartment units. The project will be developed in two phases. Phase 1 would involve development on the currently vacant portion (the western half) of the project site, adjacent to the existing gas station. Phase 2 would be developed on the eastern portion after Phase 1 is completed and after the gas station facility is demolished. The project site involves 1.02 acres located at 611 E. Harvard Boulevard, on the north side of Harvard Boulevard between 4th Street and 7th Street in the City of Santa Paula, California.
